

How do I obtain the benefits of the Killam Perks card from partners?

- It's easy! All you have to do is present the card to an employee of the partnering business. A letter about the launch of the Killam Perks Card was sent out to all partnering businesses. Upon presentation of the Killam Perks Card, they will know how to provide you with the discount.

What happens if I present my card and the front line employee of a partnering business does not accept my card?

- Contact Head Office at perks@killamproperties.com and we will be in contact with the business.

What if I lose my card?

- See your RM who can provide you with a new one at no charge.
