Voting

A unitholder is entitled to one vote in respect of each matter to be voted upon at the Meeting for each Unit registered in his or her name as at the close of business on March 23, 2022.

SECTION I. PROXY AND VOTING INFORMATION

ANNUAL MEETING

The annual Meeting of unitholders of Killam Apartment Real Estate Investment Trust (the “Trust” or “Killam”) will be held at the Courtyard by Marriott Halifax Downtown, 5120 Salter Street, Halifax, NS on Friday, May 6, 2022, at 9:00 a.m. ADT for the purposes set forth in the accompanying Notice of Meeting. Only registered unitholders and duly appointed proxyholders will be entitled to attend the Meeting in person. Please refer to the Important Note on page 5 of the Notice of Meeting for further information.

NOTICE AND ACCESS

The Trust is using “notice and access” for the delivery of this Management Information Circular (the “Circular”). Under notice and access, you still receive a proxy or voting instruction form enabling you to vote at the Meeting. However, instead of a paper copy of the Circular, you will receive a notice which contains information about how to access the Circular electronically. The principal benefit of notice and access is that it reduces the environmental impact of producing and distributing paper copies of documents in large quantities.

Accordingly, this Notice of Meeting of unitholders and Circular have been printed and mailed to registered unitholders and posted online for beneficial unitholders to view at www.killamreit.com.

Beneficial unitholders may obtain a paper copy by:

- emailing a request to investorrelations@killamreit.com;
- calling toll-free to Killam Apartment Real Estate Investment Trust at 1-866-453-9000; or
- mailing a request to Killam Apartment Real Estate Investment Trust, 3700 Kempt Road, Suite 100, Halifax, Nova Scotia, B3K 4X8.

A request for a paper copy should be sent so that it is received by Killam by April 14, 2022, in order to allow sufficient time for the beneficial unitholder to receive the paper copy and return the proxy by May 4, 2022. Beneficial unitholders are reminded to review this Notice of Meeting of unitholders and the Circular prior to voting.

SOLICITATION OF PROXIES

This Circular relates to the solicitation of proxies by the Trustees to be used at the Meeting and at any adjournment(s) or postponement(s) of the Meeting.

This Circular is furnished in connection with the solicitation by and on behalf of the management of Killam (“Management”) of proxies to be used at the annual Meeting of the holders of the units (the “Units” or “Trust Units”) and the special voting units (the “Special Voting Units”)⁽¹⁾ of Killam to be held on May 6, 2022, at the time and place and for the purposes set forth in the Notice of Meeting accompanying this Circular and at any adjournment(s) or postponement(s) thereof. It is expected that the solicitation will be primarily by mail. The costs of the solicitation will be borne by Killam.

(1) Special Voting Units are associated with Class B limited partnership units (“Exchangeable Units”) of Killam Apartment Limited Partnership, which is controlled by the Trust. The Exchangeable Units are intended to be economically equivalent to and exchangeable for Trust Units on a one-for-one basis and are accompanied by Special Voting Units of the Trust that provide their holders with equivalent voting rights to holders of Trust Units.

AUTHORIZED CAPITAL, VOTING UNITS AND PRINCIPAL HOLDERS OF UNITS

The Trust is an unincorporated, open-ended real estate investment trust formed under the laws of the Province of Ontario pursuant to the Amended and Restated Declaration of Trust dated November 27, 2015 (the “Declaration of Trust”).

SECTION I. PROXY AND VOTING INFORMATION

The authorized capital of Killam consists of an unlimited number of Units and an unlimited number of Special Voting Units. Special Voting Units are only issued in tandem with the issuance of securities exchangeable into Units. As at March 28, 2022, 115,612,176 Units and 4,004,270 Special Voting Units were issued and outstanding.

A unitholder is entitled to one vote in respect of each matter to be voted upon at the Meeting for each Unit registered in his or her name as at the close of business on March 23, 2022 (the "Record Date"). Only unitholders of record on the books of Killam as of the close of business on the Record Date are entitled to receive notice of and vote at the Meeting.

Each Special Voting Unit shall entitle the holder of record thereof to a number of votes at any meeting of the unitholders equal to the number of Units that may be obtained upon the exchange of the exchangeable security to which such Special Voting Unit is attached.

To the knowledge of the Trustees and officers of Killam, as at March 23, 2022, no person or company beneficially owns, or controls or directs, directly or indirectly, Units or Special Voting Units carrying more than 10% of the voting rights of the Trust.

QUORUM

The quorum at the Meeting or any adjournment thereof shall consist of at least two individuals present in person, each of whom is a holder of Units or Special Voting Units or represented by proxy representing a holder of Units or Special Voting Units, and who hold or represent by proxy in aggregate not less than 25% of the total number of outstanding Units and Special Voting Units.

SECTION I. PROXY AND VOTING INFORMATION

APPOINTMENT AND VOTING OF PROXIES

What am I voting on?

Unitholders will be voting on:

- (i) the election of Trustees;
- (ii) the appointment of auditors; and
- (iii) the approval of an advisory resolution on the Trust's approach to executive compensation.

Who can vote?

Only holders of Units and Special Voting Units are entitled to vote at the Meeting. Each Unit and each Special Voting Unit held is entitled to one vote per Unit.

Unitholders who do not hold Units in their own name on the records of Killam are not entitled to receive notice of the Meeting or to vote in respect of such Units at the Meeting, and should refer to the section entitled "Advice to Beneficial Holders of Units" on page 7 for details regarding how they may exercise voting rights in respect of Units beneficially held by them.

How will these matters be decided at the Meeting?

A simple majority of the votes cast, in person or by proxy, will constitute approval of these matters.

Who is soliciting my proxy?

The solicitation by Management is being primarily made by mail, but Trustees, officers and employees may also solicit proxies at a nominal cost to the Trust. Killam may also reimburse brokers and other persons holding Units in their name or as nominees for costs incurred in sending proxy forms and related materials to their principals in order to obtain their proxies. These costs will be nominal and will be borne by Killam.

How do I vote?

If you are a registered unitholder you can vote in person at the Meeting, or you can sign the enclosed form of proxy appointing the persons named in the proxy or some other person, who need not be a unitholder, to represent you as proxyholder and vote your Units at the Meeting. You may also vote using the telephone or the internet, as described on the enclosed Voting Information Form (VIF). **Please note the majority of unitholders are beneficial unitholders. Beneficial unitholders are persons who have purchased Units and are entitled to distributions but who may not be registered on Killam's records for the purposes of voting at unitholder meetings. Usually, a depository, broker or other intermediary is listed as the registered owner. If you are a beneficial unitholder, please see the section entitled "Advice to Beneficial Holders of Units" for voting instructions on page 7.**

Can I vote by internet?

If you are a registered unitholder, go to www.investorvote.com and follow the instructions. You will need your control number (located below the voting instructions on the front of your proxy) to identify yourself to the system. You must submit your vote no later than 9:00 a.m. on May 4, 2022.

SECTION I. PROXY AND VOTING INFORMATION

Appointment of Proxyholder

An instrument of proxy (the “Proxy”) accompanies this Circular, and the persons named in the Proxy are both officers of Killam. A unitholder has the right to appoint a person (who does not need to be a unitholder), other than the persons designated in the Proxy, to represent him or her at the Meeting. To exercise this right, a unitholder should strike out the Management-designated names on the Proxy and insert the name of the desired person in the blank space provided on the Proxy. Alternatively, a unitholder may complete another appropriate form of proxy. The Proxy, or an alternate form of proxy, will not be valid unless it is deposited at the offices of Computershare Investor Services Inc. (“Computershare”), at 100 University Ave, 8th floor, Toronto, Ontario M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment or postponement of the Meeting.

What if I change my mind after the Proxy has been submitted?

A unitholder who has submitted a Proxy or alternative form of proxy may revoke it with an instrument in writing signed by the unitholder or by his or her duly authorized attorney or, if the unitholder is a corporation, by a duly authorized officer or officers or attorney of such corporation, provided such instrument is deposited either: (i) at Killam’s head office, being 3700 Kempt Road, Suite 100, Halifax, Nova Scotia, B3K 4X8, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment or postponement of the Meeting at which the form of proxy is to be used; or (ii) with the Chair of the Meeting on the day of the Meeting or any adjournment of the Meeting. In addition, a form of proxy may be revoked: (i) by the unitholder personally attending at the Meeting and voting the securities represented by the Proxy; (ii) if the unitholder is a corporation, by a duly authorized officer or officers or attorney of such corporation attending at the Meeting and voting such securities; or (iii) in any other manner permitted by law.

How will my Units be voted with the Proxy?

The persons named in the Proxy will vote or withhold from voting the Units and Special Voting Units in respect of which they are appointed on any ballot that may be called for in accordance with the direction of the unitholder appointing them.

In the absence of such specification, the proxyholder shall be deemed to have been granted the authority to vote the relevant Units and Special Voting Units for: (i) the election of the Trustees as set forth in this Circular; (ii) the appointment of auditors as set forth in this Circular, at such remuneration as may be determined by the Board; and (iii) the approval of the Trust’s approach to executive compensation as set forth in this Circular. The Proxy also confers discretionary authority upon the persons named in the Proxy with respect to amendments to, or variations of, the matters identified in the Notice of Meeting and with respect to other matters that may properly be brought before the Meeting.

As of March 28, 2022, the Management of Killam knows of no such amendment, variation or other matter to come before the Meeting other than the matters referred to in the Notice of Meeting.

Who can sign the Proxy?

The Proxy must be signed by the unitholder or the unitholder’s duly appointed attorney authorized in writing or, if the unitholder is a corporation, by a duly authorized officer or officers or attorney of such corporation. A Proxy signed by a person acting as attorney or in some other representative capacity (including a representative of a unitholder) should indicate that person’s capacity (following his or her signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has previously been filed with Killam or Computershare).

Advice to Beneficial Holders of Units

The information set forth in this section is of significant importance to many unitholders, as a substantial number of unitholders do not hold their Units in their own name. Unitholders who do not hold their Units in their own name (referred to in this Circular as “beneficial unitholders”) should note that only proxies deposited by unitholders whose names appear on the records of Killam as the registered holders of Units can be recognized and acted upon at the Meeting. If the Units are listed in an account statement provided to a unitholder by a broker, then in almost all cases those Units will not be registered in the unitholder’s own name on the records of Killam. Such Units will more likely be registered in the name of the unitholder’s broker or an agent of that broker. In Canada, the vast majority of Units are registered in the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Units held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the beneficial unitholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting Units for the brokers’ clients. **Therefore, each beneficial unitholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Applicable regulatory policy requires brokers to seek voting instructions from beneficial unitholders in advance of unitholders’ meetings. Every broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by beneficial unitholders in order to ensure that their Units are voted at the Meeting. In certain cases, the form of proxy supplied to a beneficial unitholder by its broker (or the agent of the broker) is identical to the proxy provided to registered unitholders. However, its purpose is limited to instructing the registered unitholder (i.e., the broker or agent of the broker) how to vote on behalf of the beneficial unitholder. The majority of Canadian brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“Broadridge”). Broadridge typically prepares a machine-readable voting instruction form, mails that form to the beneficial unitholders and asks beneficial unitholders to return the instruction forms to Broadridge. Alternatively, beneficial unitholders can either call Broadridge’s toll-free telephone number to vote their Units or access Broadridge’s dedicated voting website at www.proxyvotecanada.com to deliver their voting instructions. Broadridge then tabulates the results of all instructions received and provides instructions respecting the voting of Units to be represented at the Meeting. **A beneficial unitholder receiving a voting instruction form from Broadridge cannot use that form to vote Units directly at the Meeting – voting instructions must be provided to Broadridge (in accordance with the instructions set forth on the Broadridge form) well in advance of the Meeting in order to have the Units voted. If you have any questions respecting the voting of Units held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

Beneficial unitholders fall into two categories – those who object to their identity being made known to the issuers of securities which they own (“OBOs”) and those who do not object to their identity being made known to the issuers of the securities they own (“NOBOs”). Subject to the provisions of National Instrument 54-101- *Communication with Beneficial Owners of Securities of Reporting Issuers* (“NI 54-101”), issuers may request and obtain a list of their NOBOs from intermediaries via their transfer agents. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of proxy-related materials directly (not via Broadridge) to such NOBOs.

Killam utilizes the provisions of NI 54-101 that permit it to deliver proxy-related materials directly to its NOBOs. As a result, any NOBO of Killam can expect to receive a scannable VIF from Computershare. Please complete and return the VIF to Computershare in the envelope provided. In addition, telephone voting and internet voting are available as further described in the VIF, along with instructions with respect to the procedure for telephone and internet voting. Computershare will tabulate the results of the VIFs received from Killam’s NOBOs and will provide appropriate instructions at the Meeting with respect to the Units represented by the VIFs received by Computershare. Killam’s OBOs can expect to be contacted by Broadridge, their brokers or their broker’s agents as set out above.

SECTION I. PROXY AND VOTING INFORMATION

Beneficial unitholders who wish to attend the Meeting via webcast and indirectly vote their Units as proxyholder for the registered unitholder should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker. Beneficial unitholders are strongly encouraged to attend the Meeting via webcast only. Although a beneficial unitholder may not be recognized directly at the Meeting for the purposes of voting Units registered in the name of his or her broker, a beneficial unitholder may attend the Meeting as proxyholder for the registered unitholder and vote the Units in that capacity.

How many votes are required to pass a matter on the agenda?

A simple majority of the votes cast, in person or by proxy, is required for each of the matters specific in this Circular.

How do I contact Killam's transfer agent?

Computershare is Killam's transfer agent. Computershare may be contacted by mail at 100 University Ave, 8th floor, Toronto, Ontario M5J 2Y1; by telephone at: (902) 864-4050; or by fax at: (514) 982-7580.

All references to unitholders in this Circular, the accompanying Proxy, and the Notice of Meeting are to registered unitholders unless specifically stated otherwise.

ADDITIONAL INFORMATION ABOUT THE TRUST

Financial information about the Trust is provided in its comparative Consolidated Audited Financial Statements and Management's Discussion and Analysis of the Trust's results of operations and financial condition for the year ended December 31, 2021. Copies of the Trust's latest annual information form (AIF), including Form 52-110F1 – Audit Committee Information Required in an AIF, together with the documents incorporated therein by reference; the comparative consolidated financial statements of the Trust for the year ended December 31, 2021; together with the report of the auditors therein; Management's Discussion and Analysis of the Trust's results of operations and financial condition for 2021; the interim financial statements of the Trust for reporting periods subsequent to the end of the Trust's last fiscal year (if applicable); and this Circular are available on the System for Electronic Document Analysis and Retrieval (SEDAR) at www.sedar.com, the Trust's website at www.killamreit.com, and are also available upon request, free of charge, by calling Investor Relations at 1-866-453-9000. Additional information relating to the Trust is also available on SEDAR at www.sedar.com, the Trust's website at www.killamreit.com, and upon request by calling Investor Relations at 1-866-453-9000.

NON-IFRS FINANCIAL MEASURES

This Circular contains references to certain non-IFRS financial measures, including funds from operations (FFO), and supplementary financial measures, including same property NOI, which do not have standardized meanings under IFRS and therefore may not be comparable to similarly titled measures presented by other publicly traded organizations.

For further information on the composition of these non-IFRS financial measures and reconciliations to their most directly comparable IFRS measure, refer to the "Non-IFRS Financial Measures" section on page 4 of Killam's 2021 Management Discussion and Analysis, which is available under the Trust's SEDAR profile at www.sedar.com, and which section is incorporated by reference into this Circular.

SECTION II. BUSINESS OF THE MEETING

VOTING MATTERS AND VOTE RECOMMENDATIONS

MATTER	BOARD VOTE RECOMMENDATION
Election of Trustees	For
Appointment of Auditors	For
Approval of executive compensation approach	For

1. REPORT OF MANAGEMENT AND CONSOLIDATED FINANCIAL STATEMENTS

Killam's Annual Audited Consolidated Financial Statements and Management's Discussion and Analysis for the year ended December 31, 2021, together with the external auditor's report, will be placed before the unitholders at the Meeting. These documents are included in Killam's 2021 Annual Report. The 2021 Annual Report will be available at the Meeting and is also available under the Trust's SEDAR profile at www.sedar.com and on the Trust's website at www.killamreit.com.

2. ELECTION OF TRUSTEES

Unless the unitholder specifies in the enclosed Proxy that the Units represented by the Proxy are to be withheld from voting in the election of Trustees, the persons named in the Proxy shall vote the Units represented by the Proxy in favour of the election of the persons whose names are set forth on pages 12 through 20. The Trustees do not contemplate that any of these persons will be unable to serve as a Trustee, but if that should occur for any reason prior to the Meeting, then the person named in the Proxy may vote for the election of another person or persons at his or her discretion. Each Trustee elected will be elected to hold office until the next annual meeting of unitholders or until his or her successor is elected or appointed, subject to the provisions of the Declaration of Trust.

3. APPOINTMENT OF AUDITORS AND AUDITOR'S REMUNERATION

Killam proposes to nominate Ernst & Young LLP, 1871 Hollis Street, #500, Halifax, NS, B3J 0C3, as the auditors of Killam to hold such office until the close of the next annual meeting of unitholders at remuneration to be fixed by the Trustees. Ernst & Young LLP (EY) has been the auditors of Killam since June 26, 2000.

During 2020, the Board conducted a formal request for proposal (RFP) for external audit services starting with the year ended December 31, 2021. Following a detailed review of the submissions, the selection committee selected EY to continue as Killam's auditors. The Board approved this selection after also assessing the performance and independence of EY. Although there are no audit tenure restrictions in Canada, the Board recognizes that EY's tenure as auditors of Killam has been greater than twenty years, and as such has limited EY's term to a maximum of three years, not to exceed December 31, 2024. Killam will conduct an RFP to replace EY for the year ended December 31, 2025, at the latest.

The Board recommends the re-appointment of EY as auditors until the close of the next annual meeting. Last year, the vote was 94.72% in favour of EY as auditors. The affirmative vote of a majority of Units voted on such matters is required to reappoint EY as auditors of Killam.

Auditor's Fees

The table below lists the services EY provides and the fees paid by Killam for the fiscal years ended December 31, 2021, and December 31, 2020. The Audit Committee can pre-approve services provided they are within the scope of the policies and procedures approved by the Committee.

SECTION II. BUSINESS OF THE MEETING

Of the tax fees in 2021, the full amount of \$39,500 relates to tax compliance (2020 - \$43,500). In 2020, assistance with tax audit and appeal services was \$4,000.

⁽⁴⁾ *All other fees* include the aggregate fees paid to the external auditors for all other services other than those presented in the categories of audit fees, audit-related fees and tax fees.

⁽⁵⁾ HST is not included in the fees above.

In the absence of contrary directions, the persons named in the Proxy intend to vote in favour of the reappointment of EY as the auditors of Killam.

4. EXECUTIVE COMPENSATION AND ADVISORY VOTE

To consider and approve, on an advisory basis, a resolution on Killam's approach to executive compensation.

Killam's executive compensation program is designed to attract, retain and motivate top executive talent to achieve the Trust's business goals and objectives with appropriate risk-taking and encourage ethical behaviour of executives. The executive compensation is designed to be aligned with performance and the interests of unitholders, and to drive strategic initiatives. The Board, through the Compensation Committee, has directed and reviewed the contents of the executive compensation discussion included in this Circular and has unanimously approved it.

As a unitholder, you may vote "For" or "Against" Killam's approach to executive compensation through the following resolution:

Resolved, on an advisory basis and not to diminish the role and responsibilities of the Board of Trustees, that the unitholders accept the approach to executive compensation disclosed in this Management Information Circular for the Meeting of Unitholders on May 6, 2022.

Since the vote is advisory, it will not be binding on the Board. However, the Board and, in particular, the Compensation Committee, will consider the outcome of the vote as part of its ongoing review of executive compensation. The Compensation Discussion and Analysis section of this Circular describes Killam's compensation practices for the named executive officers (NEOs).

Killam will disclose the results of the unitholder advisory vote as a part of its report on voting results for the Meeting. In the absence of contrary directions, the persons named in the Proxy intend to vote in favour of the non-binding resolution set forth above.

Management is not aware of any material interest, direct or indirect, of any Trustee or nominee for Trustee or executive officer or anyone who has held office as such since the beginning of the Trust's last financial year or of any associates or affiliate of any of the foregoing, in any matter to be acted on at the Meeting.

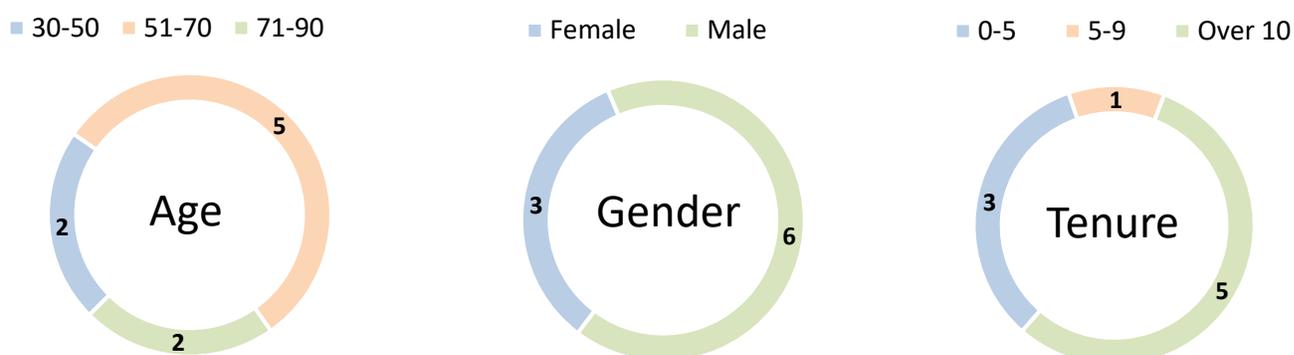

SECTION III. ELECTION OF TRUSTEES

TRUSTEES NOMINATED FOR ELECTION

Killam's Declaration of Trust states that there shall be a minimum of 5 and a maximum of 12 Trustees. There are nine Trustees standing for election in 2022. The current term of office of the Trustees of Killam will expire at the close of the Meeting. Individual nominee profiles include a summary of career experience over the past five years, areas of expertise, current Board committee membership and directorships at other public companies. The information on each Trustee nominee in this Circular is current as of March 17, 2022.

This section includes each nominee's beneficial ownership of Trust Units, Exchangeable Units and Restricted Trust Units (RTUs) as at March 17, 2022, and March 17, 2021. The value of Trust Units, Exchangeable Units, and RTUs are based on the market value of \$22.17 with respect to Units held at March 17, 2022, and \$18.93 in respect of Units held at March 17, 2021, being the closing price of Trust Units on the Toronto Stock Exchange ("TSX") on such dates.

Board Composition

Independence

All non-executive trustees are independent.

2. As at March 17, 2022, the Trustees nominated for election held 2,608,257 Exchangeable Units (March 17, 2021 — 2,861,949 Exchangeable Units).

AREAS OF EXPERTISE

The skills matrix below summarizes the expertise possessed by Trustees. The areas of expertise outlined in the skills matrix below are considered in assessing candidates during the nomination process. Such areas of expertise are referred to in identifying any skills gaps. The emphasis placed on any area of expertise may change as part of the ongoing assessment of the composition of the Board.

As the matrix highlights, the Trustees nominated for 2022 have a diverse skill base and significant expertise in leadership, governance, and real estate.

Skills and Experience

Description of areas of expertise:

- Executive Leadership – Experience driving strategic direction and leading growth of a corporation/trust.
- Governance – Previous or current experience as a board member of a public or private organization.
- Real Estate – Senior executive experience in the real estate industry.
- Development – Senior executive experience in the development of real estate assets.
- Entrepreneurship – Experience in building businesses.
- Accounting – Senior executive experience in financial accounting and reporting.
- Corporate Finance and Capital Markets – Experience in investment banking or capital markets.
- Government and Regulatory Affairs – Experience in or a strong understanding of the working of government and public policy.

All Trustees are considered financially literate, defined by the Canadian securities regulators as having the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by Killam's financial statements.

SECTION III. ELECTION OF TRUSTEES

TRUSTEE COMPENSATION

The Board plays an important role in building unitholder value. The Trustees' compensation program is designed to attract and retain well-qualified Trustees with varied and relevant experience to meet the evolving needs of Killam. The Compensation Committee reviews, on an annual basis, the compensation of the Trustees who are not employees of Killam and recommends to the Board the level of compensation and any adjustments necessary to reflect the level of work and the responsibilities of the members of the Board and its committees.

The intent is for Killam to fall in the median of the group in terms of both revenue and asset base to ensure that Killam's relative size is considered and reflected in benchmarking. The approved peer group selected for 2021 was comprised of the following REITs and corporations:

Allied Properties REIT	CT REIT	InterRent REIT
Boardwalk REIT	Crombie REIT	Sienna Senior Living Inc.
Canadian Apartment Properties REIT	Dream Office REIT	Smart Centers REIT
Chartwell Retirement Residences REIT	Granite REIT	Summit Industrial Income REIT

In an effort to attract Trustees, the Board believes that it can derive certain trends from this analysis relating to the compensation for entities within its peer group. The total compensation of Trustees was in the mid-range of the compensation offered by these entities. Trustees who are employees of Killam are not eligible to receive trustee compensation. Trustees receive annual fees and additional compensation, which varies depending on their attendance at meetings of the Board and of its committees, and compensation is paid quarterly.

Following a detailed review by a third-party compensation consultant in 2017, Killam made changes to bring its Trustee compensation plan in line with compensation and governance best practices, and to maintain compensation within a competitive range of market median.

Based on the Compensation Committee's annual review of Trustee compensation compared to its peer group, adjustments to the Trustees' compensation for 2021 were approved by the Board of Directors on November 3, 2021. The approved 2021 Trustee Fees are outlined under the Trustee Fees and Retainers section of this Circular.

Trustee Restricted Trust Unit Plan

Trustees may elect, irrevocably and in advance, to have 0%, 25%, 50%, 75% or 100% of their annual board and committee retainers paid through the issuance of RTUs. The RTUs issued to Trustees automatically vest following the Trustee's retirement from the Board.

Trustee Fees and Retainers

Killam's Trustee compensation includes:

- an annual retainer (higher retainer for the Chair of the Board);
- an annual fee for serving as a committee chair or committee member;
- an attendance fee for each set of Board and committee meetings attended; and
- a reasonable travel fee and other out-of-pocket expense reimbursements for costs relating to their duties as Trustees.

SECTION III. ELECTION OF TRUSTEES

The table below shows Killam's fee schedule for 2021 and 2020 for non-employee Trustees:

Trustee Fees	2021 (\$)	2020 (\$)
Annual Retainer – Board Chair	120,000	85,000
Annual Retainer – Other Trustees	75,000	60,000
Chair Fee - Audit Committee	20,000	15,000
Chair Fee – Governance and ESG Committee	15,000	8,000
Chair Fee – Compensation Committee	15,000	8,000
Committee Member	5,000	3,000
Board Meeting Attendance Fee – In person	1,500	1,500
Board Meeting Attendance Fee – By video/telephone	1,000	1,000
Committee Attendance Fee – In person/video/telephone	1,000	1,000
Additional allowance for travel in excess of 4 hours	N/A	1,000

The changes to the Trustee fees in 2021 were approved by the Board of Directors on November 3, 2021 and were applicable for Q3-2021 and Q4-2021 Trustee payments.

Trustee Unit Ownership Requirements

Each non-executive Trustee must hold a minimum value of investment of \$300,000 in Units, Exchangeable Units and/or RTUs. Based on the annual Board retainer of \$75,000 per annum, this reflects a 4x multiple of the annual Board retainer. This requirement must be met within five years of becoming a Trustee. As at March 17, 2022, all the nominated Trustees were in compliance with the ownership requirements except for Ms. MacKeigan, who was appointed to the Board on May 7, 2020, and she has five years from her appointment date to accumulate the required minimum value of investment.

SECTION IV. COMPENSATION DISCUSSION AND ANALYSIS

2021 Compensation Highlights

- ✓ The fundamental principles of Killam's compensation philosophy are to pay-for-performance, to align the interests of executives with those of Killam unitholders and to have market competitive compensation to ensure Killam attracts, retains, motivates and rewards the executive team.
- ✓ A review of the compensation plan in 2021 resulted in minor adjustments to reflect Killam's growth and competitive environment. The changes increased the variable compensation targets for certain NEOs, all of which are linked to performance metrics or long-term improved Unit performance.
- ✓ The Compensation Committee bases executive compensation decisions on the achievement of specific performance metrics.
- ✓ The Compensation Committee and the Board were impressed with Management's continued execution of Killam's growth strategy and their progress in moving Killam's sustainability practices and disclosure forward. These results are reflected in the payouts for the NEO's individual efforts, ranging from 90% to 94% payout.
- ✓ Based on the NEO's variable compensation program, the Board approved a combined performance factor of 1.28x for the 2019 RTU awards that vested in early 2022. These performance RTUs are an important part of Killam's long-term compensation program. The multiplier considers Killam's average three-year FFO per Unit growth of 4.4% compared to a target of 4.0%, and relative total unitholder return compared to the S&P/TSX Capped REIT Index.

EXECUTIVE COMPENSATION PHILOSOPHY AND STRATEGY

The primary goals of Killam's compensation program are to:

- > Attract, retain and motivate top executive talent to achieve the Trust's business goals and objectives with appropriate risk taking, and encourage ethical behaviour of executives.
- > Provide total compensation that is competitive in the context of Killam's peer group and the real estate industry in general.
- > Reward targeted achievements with a variable pay component, based on the achievement of both individual and the Trust's operational and financial results.
- > Link a portion of the variable pay to enhance long-term alignment between executives and unitholder interests, rewarding for superior total return performance.

SECTION IV. COMPENSATION DISCUSSION AND ANALYSIS

ELEMENTS OF EXECUTIVE COMPENSATION PROGRAM

Killam's compensation is structured with a clear focus on pay-for-performance and aligns with the interests of unitholders. Killam's compensation is comprised principally of base salary, short-term cash incentives (bonus) and long-term incentives (in the form of RTUs) as described in the table below. Benefits and perquisites generally comprise a small part of total annual compensation.

Components	Form	Period	Program Objectives and Details	
Fixed Compensation	Base Salary	Cash	Annual	<ul style="list-style-type: none"> Reflects the executive's level of responsibility and experience, market competitiveness, and the executive's overall performance.

RTUs (with performance factors) comprise 50% of the total value of RTU grants to executives. The value at vesting is based 50% on the Trust's success in FFO per Unit results versus pre-determined targets over a three-year period and 50% on total unitholder return compared to the S&P/TSX Capped REIT Index over a three-year period. RTUs (with performance factors) settled in cash or Trust Units issued from treasury at the end of the applicable vesting period. RTU Plan provides for the crediting of additional RTUs in respect of distributions paid on Trust Units for the period when an RTU (with performance factors) is outstanding.

Base Salaries

Base salary for the senior executive officers is based on proxy data from Killam’s peer group for similar positions and targets the 50th - 60th percentile of that market. Base salaries also consider each executive’s job responsibilities and the level of skill and experience required to perform his or her given role. Base salaries and subsequent increases are approved by the Compensation Committee.

Short-Term Annual Incentive Plan (AIP)

Killam has a short-term AIP that is designed to motivate executives to meet Killam’s annual business and strategic objectives. The AIP objectives include pre-set financial performance targets and strategic goals for individuals, determined annually and approved by the Compensation Committee.

All executives have AIP award targets that are expressed as a percentage of their base salary, with such targets determined by the executive’s position and level within the organization. Actual payouts to an executive are dependent upon actual performance relative to the performance targets which are set annually. Payouts to an executive for each of the Trust’s operating performance targets (approximately 66% of target compensation) range from zero to a maximum of 150% of target. Payouts to an executive for individual performance targets (approximately 33% of target compensation) range from zero to a maximum of 100%. The AIP award payments are made annually in cash following approval by the Compensation Committee and the Board of Trustees.

Long-Term Annual Incentive Plan (LTIP) – Restricted Trust Units

Killam’s RTU awards are designed to retain and motivate executives to achieve specific results over continuous three-year periods that are expected to increase unitholder value. RTUs are awarded each year based on a percentage of base salary. Half (50%) of the RTUs awarded each year are linked to performance factors and half (50%) do not have a performance factor. The values of the awards are directly linked to the market value of the Trust Units and to Unit distributions during the related vesting periods. Under the RTU Plan, when distributions are paid on Trust Units for the period when an RTU is outstanding, additional RTUs equivalent in value to the distributions paid on Trust Units will be credited to the participant’s account.

All RTUs cliff vest after three years. Upon vesting, the executive receives Trust Units, or a cash payment at Killam’s preference, calculated based on the market value of the underlying Units plus accrued distributions, subject to a performance factor, if applicable. The RTUs with performance factors have a maximum award of 1.5X target for superior performance, while no awards are paid for performance below specific thresholds.

RTUs with performance factors represent a form of at-risk long-term compensation that serves to motivate the recipient to deliver on specific objectives set forth in Killam’s strategic plan. RTUs with performance factors serve as a pay-for-performance incentive to reward executives for the achievement of prescribed goals and Trust Unit price appreciation.

SECTION IV. COMPENSATION DISCUSSION AND ANALYSIS

If a participant is either terminated for cause or voluntarily resigns prior to the end of the applicable vesting period, all RTUs are cancelled on the date of cessation of employment and no payments are made in respect of such RTUs. If a participant's employment is terminated (i) due to death; (ii) retirement; or (iii) by the Trust without cause, then the RTUs that do not have conditions to vesting related to performance measures shall vest on a pro-rata basis for the period of time the participant was actively employed. The RTUs that have conditions to vesting related to performance measures shall remain eligible to vest on a pro-rata basis for the period of time the participant was actively employed (to the extent the applicable conditions to vesting are ultimately satisfied). All other RTUs are cancelled. Settlement of vested RTUs is made as soon as practicable following the last day of active employment. A summary of Killam's RTU Plan can be found on pages 48 and 49.

Overall compensation, including base salary and bonus payments under Killam's AIP and LTIP for the senior executive officers, is targeted to be within the 50th percentile of the market based on proxy data from Killam's peer group for similar positions.

Unit Purchase Plan

Killam offers a unit purchase plan to its full-time and part-time employees with a view to encourage its staff to own Units in the Trust. Employees, including executives, may contribute up to 7% of their base salary to the plan, to a maximum of \$5,000 annually. Killam will match 50% of the employee's contribution for all employees that have been with the Trust for over two years. Funds contributed are invested in Units.

Retirement Plans

Killam has no retirement plans, pension plans or other forms of funded or unfunded retirement compensation for its employees.

EXECUTIVE COMPENSATION AND RISK MANAGEMENT

Killam has designed its compensation program to provide an appropriate balance of risk and reward in relation to its overall business strategy. The Compensation Committee believes that in its review of risk mitigation practices, having a compensation program that comprises a mix of compensation elements, with a significant portion of compensation in the form of long-term equity-based awards, acts as a deterrent to executives taking excessive risk. Additionally, the Trust has risk mitigation practices that include Board oversight, balanced incentive plans that are not focused on a single financial measure, a clawback policy for short and long-term compensation, Trust Unit ownership requirements for all executives at the vice president level or higher, and trading restrictions and hedging prohibitions, each of which are described in more detail below.

Board Oversight

The Compensation Committee is an independent committee of the Board made up of three independent Trustees which, together with the Board, is accountable for the decisions relating to executive compensation. During 2021, the Compensation Committee was comprised of Ms. MacIndoe (Chair), Ms. Landry, and Ms. MacKeigan. The members of the Compensation Committee have the relevant skills and experience that enable them to make decisions in relation to the suitability of the Trust's compensation policies and practices.

Incentive Plan Design

Killam's AIP was designed on a balanced set of performance measures and weightings, which are reviewed and approved by the Compensation Committee annually. The 2021 AIP performance measures and weightings include FFO per Unit growth, same property NOI growth and an individual performance component. Multiple performance measures require that the operating results of Killam must outperform in all key metrics in order for executives to achieve the maximum compensation award. This balanced approach reduces the risk of a disproportionate focus on any single aspect of the business for the sole purpose of increasing compensation. Killam's AIP has a maximum payout level that limits the amount that an executive can be paid in order to limit incentives to take excessive risk. The AIP's performance metrics are stress tested, and the results of this analysis are reviewed by the Compensation Committee as part of its annual approval process.

SECTION IV. COMPENSATION DISCUSSION AND ANALYSIS

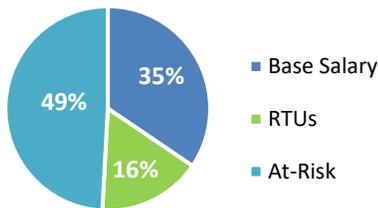

A portion of executive compensation is also allocated to long-term incentives to focus executives on sustainable value creation. The Trust’s objective is to design incentive plans that do not motivate executives to take excessive or inappropriate risks given the potential negative impacts on the long-term equity components of compensation. The LTIP consists of RTUs and RTUs with performance conditions. These Units provide for alignment with changes in the Trust Unit price, participation in distributions and retention value. Equity awards are granted annually and vest over time. This creates overlapping vesting periods which maintain executives’ exposure to the consequences of their decision-making through their unvested equity. The Compensation Committee regularly reviews Killam’s compensation plan and can adjust compensation plan components, including incentive awards, targets and payouts, as appropriate.

On an annual basis, the Compensation Committee also reviews Killam’s compensation practices with a view to maintaining the appropriate balance between “at-risk” and “not at-risk” compensation. The two large components of compensation are base salary, a form of compensation that is not “at-risk”, and incentive awards, which are considered to be “at-risk”. This mix is designed to encourage executives to take measured risks that may have a positive impact on Killam’s performance, while simultaneously providing adequate compensation to executives to discourage them from taking excessive risks.

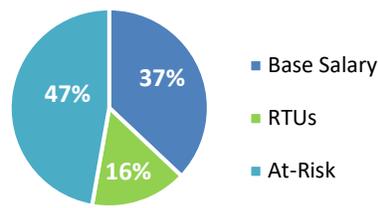

At-Risk Compensation

The graphs below demonstrate the “at-risk” pay for the CEO as well as the average “at-risk” pay for all other NEOs. In 2021, the target “at-risk” compensation for the CEO, Executive Vice President, CFO and other NEOs was 49%, 47%, 38% and 35% at-risk, respectively. The at-risk component of the target compensation includes the target AIP award and performance-based RTUs. Including the non-performance-based RTUs, the at-risk component for the CEO, Executive Vice President, CFO and other NEOs was 65%, 63%, 50% and 47% at-risk, respectively.

SECTION IV. COMPENSATION DISCUSSION AND ANALYSIS

Clawback Policy

Killam has an executive compensation clawback policy with respect to incentive-based compensation. Under this policy, which applies to all current or former executive officers and vice-presidents of the Trust, the Board may, in its sole discretion, require reimbursement of all or a portion of the incentive-based compensation received by an executive. The Board may seek reimbursement of full or partial compensation in situations where:

- (a) any incentive-based compensation paid or granted to an executive was calculated based upon, or contingent on, the achievement of certain financial results that were subsequently affected by an accounting restatement due to material non-compliance with any financial reporting requirements under applicable securities laws;
- (b) the executive engaged in misconduct that caused or partially caused the need for the accounting restatement; and
- (c) such incentive-based compensation paid or granted to the executive would have been lower had the financial statements materially complied with applicable securities laws.

In the circumstances described above, the Board may, to the fullest extent permitted by applicable law and to the extent it determines that it is in the Trust's best interest to do so, require the executive to reimburse the Trust for all or any portion of the excess amount received by the applicable executive. The policy requires that when the clawback is triggered, the executive must repay all applicable excess incentive payments received over the two-year period preceding the triggering event.

Prohibition against Speculating and Hedging

All of Killam's personnel and Trustees, including its NEOs, are prohibited at any time from, directly or indirectly, undertaking any of the following activities:

- speculating in securities of the Trust, which may include buying with the intention of quickly reselling such securities, or selling securities of the Trust with the intention of quickly buying such securities (other than in connection with the acquisition and sale of Units issued under the Trust's RTU Plan or any other benefit plan or arrangement);
- short selling a security of the Trust or any other arrangement that results in a gain only if the value of the Trust's securities declines in the future;
- selling a "call option" giving the holder an option to purchase securities of the Trust; and
- buying a "put option" giving the holder an option to sell securities of the Trust.

Additionally, Trustees and executive officers are prohibited from undertaking any activities or engaging in trades in securities whereby the interests of such person making the trade are not aligned with those of Killam, including, but not limited to, purchasing financial instruments that are designed to hedge or offset a decrease in the market value of the Units or other equity securities granted as compensation or otherwise held.

SECTION IV. COMPENSATION DISCUSSION AND ANALYSIS

Unit Ownership Requirements

All executives at the vice-president level or higher are required to maintain an equity investment in Killam. The Trust's Unit Ownership Guidelines are designed to align executives' interests with those of the unitholders, and to mitigate the likelihood of undue risk taking. The Unit Ownership Guidelines establish minimum Unit ownership levels, which are set at a multiple of base salary based on the position. Specifically, executives must hold a minimum value of investment of Units, Exchangeable Units or RTUs equal to:

President and CEO	4 times base salary
EVP	3 times base salary
CFO	2 times base salary
SVPs and VPs	1 times base salary

This requirement must be met within five years of becoming an executive. As at March 17, 2022, all NEOs held the minimum requirement of their base salaries in Trust Units, Exchangeable Units or RTUs, as detailed below:

NEO	Trust Units (#)	Exchangeable Units (#)	RTUs (#)	Total Units (#)	Total Value at Risk ⁽¹⁾ (\$)	2021 Base Salary (\$)	Holdings at Risk Compared to Base Salary

COMPENSATION CONSULTANTS AND ROLE OF MANAGEMENT

Compensation Consultants and Advisors

Killam implemented changes to its executive compensation program in 2017 to increase the at-risk component of compensation and increase alignment of the program with long-term unitholder value. Meridian Compensation Partners were engaged in 2016 to advise on the changes implemented in 2017. In 2020, Killam engaged Meridian Compensation Partners to review the payout ranges for RTUs (with performance factors). This consultation, along with engagement with unitholders, resulted in Killam adjusting its long-term performance-based incentive plan to increase the threshold for Killam's three-year relative unitholder performance compared to the S&P/TSX Capped REIT Index to 35% from 25%. This threshold was further increased to 37.5% in 2022.

SECTION IV. COMPENSATION DISCUSSION AND ANALYSIS

Comparative Market Data

Comparative market data is one factor used in setting the compensation of executives. Other factors considered by the Compensation Committee include individual performance and experience, scope of the role, leadership ability, internal pay equity among executives and the operating results of the business. The Compensation Committee annually uses benchmarking and comparisons of compensation programs from a peer group of real estate entities to confirm that the Trust's programs remain competitive.

Compensation Peer Group

For the purpose of benchmarking, Killam reviews and considers its identified peer group as a primary source of reference. The intent is for Killam to fall in the median of the group in terms of both revenue and asset base to ensure that Killam's relative size is considered and reflected in benchmarking. Based upon a review of Killam's peer group conducted during 2021, the Compensation Committee approved the following changes to Killam's compensation peer group in 2021:

Additions: Allied Properties REIT, Dream Office REIT, Smart Centers REIT.

Deletions: Cominar REIT, Minto Apartment REIT, Morguard North American Residential REIT, Dream Unlimited Corp.

The approved peer group selected for 2021 was comprised of the following REITs and corporations:

Allied Properties REIT	CT REIT	InterRent REIT
Boardwalk REIT	Crombie REIT	Sienna Senior Living Inc.
Canadian Apartment Properties REIT	Dream Office REIT	Smart Centers REIT
Chartwell Retirement Residences REIT	Granite REIT	Summit Industrial Income REIT

Role of Management in the Compensation and Evaluation Process

Management's primary role in executive compensation decisions is to gather data and prepare analysis to make preliminary recommendations to the Compensation Committee and to the Board. Specifically, Management gathers and analyzes information, including:

- Compensation data from its peer group;
- Specific analyses prepared by a compensation consultant (as required);
- Killam's performance and market position compared to Killam's peer group;
- Corporate performance benchmarking – financial and operational;
- Recommendations on the compensation design process; and
- Recommendations on the annual Trust performance targets for the AIP.

In addition, the President and CEO evaluates the performance of key senior executives and makes recommendations to the Compensation Committee with respect to the compensation and individual strategic goals to be used as performance targets for the AIP of the other NEOs. The evaluations of executives are based on the achievement of objectives and targets related to both the Trust and the individual and include an assessment of each executive's leadership capabilities and team development skills. The views of the President and CEO are valued because of his ongoing involvement with key senior executives. As a result, he is in the best position to effectively assess the performance of the other NEOs and how their efforts have contributed to the achievement of the Trust's strategic objectives and operational targets.

SECTION IV. COMPENSATION DISCUSSION AND ANALYSIS

Annual Process

As previously mentioned, salaries for executives are determined using market data and consider the scope and job responsibilities of the executive. To determine the AIP and RTU awards, the Compensation Committee and the Board consider multiple factors, including Killam's corporate performance against targets, the executive's individual performance, previous awards, and the variable compensation paid to the top executives of Killam's peers. On an ongoing basis, Management and the Compensation Committee discuss executive performance, as well as monitor executive compensation and the alignment with Killam's performance and strategy. The following schedule illustrates the timing and process for determining Killam's executive compensation:

January

- Killam's results are compared with targets for annual incentive payments;
- Executive performance reviews are prepared, including evaluation of individual performance against targets for AIP award payments; and
- CEO prepares a comprehensive report to the Compensation Committee and Board, including performance against targets and recommendations for executive compensation, as well as AIP awards and base salary increases.

February

- Compensation Committee meets to review the AIP and RTU performance-based awards and approve the AIP and RTU performance-based targets for the current year. Based on this review, the Compensation Committee and the Board approve the following:
 - AIP payments related to the previous year's performance;
 - RTU performance-based award payments for the previous three-year period;
 - Base salary increases, if any, for the executives;
 - Grant of RTUs based on approved salaries, to vest over three years;
 - AIP performance targets for the current year; and
 - Performance-based RTU targets for the next three-year period.

March

- Individual performance targets are confirmed and approved by the CEO; and
- Proxy information is compiled.

August – October

- Compensation committee reviews Killam's peer group for reasonability;
- Management prepares an analysis of peer group compensation based on previous year's proxy circulars;
- Killam's annual operating budget is prepared;
- Compensation committee reviews and approves any changes to the Compensation Committee mandate.

December

- Killam's annual operating budget is approved by the Board and targets for the AIP awards for the next year are linked to the approved operating budget.

SECTION IV. COMPENSATION DISCUSSION AND ANALYSIS

Unitholder Engagement

Killam is committed to strong corporate governance practices and included its fourth annual say-on-pay advisory vote at its 2021 Annual General Meeting. This vote provided unitholders with the opportunity to indicate their acceptance of the Board's overall approach to executive compensation at Killam. In 2021, unitholders voted 95.82% in favour of Killam's approach to executive compensation, compared to 87.12% in 2020. In 2020 and 2021, Killam proactively engaged with select unitholders for direct feedback on the compensation plan. As a result of these meetings, Killam adjusted its long-term performance-based incentive plan to increase the threshold for Killam's three-year relative unitholder performance compared to the S&P/TSX Capped REIT Index to 35% from 25%, and further increased the threshold to 37.5% in 2022.

Killam is committed to proactively engaging with unitholders and believes it is important to receive direct feedback from unitholders about compensation decisions and other governance matters. Unitholders can contact the Chair of the Compensation Committee or the Chair of the Board at the address listed on page 69 of this Circular.

2021 EXECUTIVE COMPENSATION

Annual Incentive Plan

The 2021 AIP incorporated the following performance measures: FFO per Unit growth, same property NOI growth, and the achievement of individual performance objectives. The weightings for the performance measures vary by NEO and are based on their position within the organization. AIP payouts are determined separately for each operating performance measure using a sliding scale and then aggregated to determine the final payout amount. The weightings for performance objectives by NEO in 2021 were as follows:

NEO	AIP Target (% of Base Salary)	Payout Range (% of Target)	2021 Performance Weightings (%)		
			FFO per Unit Growth Component	Same Property NOI Growth Component	Individual Strategic Goals Component
Philip Fraser	95.0%	0% - 133.3%	33.3%	33.3%	33.3%
Robert Richardson	85.0%	0% - 133.3%	33.3%	33.3%	33.3%
Dale Noseworthy	50.0%	0% - 137.5%	50.0%	25.0%	25.0%
Ruth Buckle	45.0%	0% - 132.5%	45.0%	20.0%	35.0%
Michael McLean	45.0%	0% - 132.5%	45.0%	20.0%	35.0%

The performance targets are established by the Compensation Committee based on input from Management and independent advice from a compensation consultant as required. Minimum (threshold), target and maximum metrics are established each year for the two operational components of the AIP (FFO per Unit and same property NOI growth), as described below. In February 2022, the Compensation Committee reviewed Killam's 2021 financial results and confirmed FFO per Unit and same property NOI for AIP purposes in accordance with the plan.

Killam's financial and operating results for 2021 were very strong achieving \$1.07 per unit FFO, a 7% increase from \$1.00 per unit in 2020 and 5.1% same property net operating income growth. In addition to achieving a 41% total return for unitholders, Killam was successful in meeting its strategic targets for the year. Despite the challenges surrounding the pandemic, Killam's business was incredibly resilient with strong demand Canada-wide for apartment suites.

SECTION IV. COMPENSATION DISCUSSION AND ANALYSIS

Revenue-enhancing and expense-savings initiatives, including \$8.2 million in energy efficiency investments, combined with a successful suite repositioning program drove above average same property NOI growth in 2021. In addition, a record year of acquisitions saw Killam add an additional 1,600 suites to its portfolio, with 78% of the capital deployed in Ontario and Alberta.

FFO Per Unit Growth ⁽¹⁾

	Threshold	Target	Maximum	Achievement
Performance Range	\$0.98	\$1.03	\$1.06	\$1.07
Payout Factor (% of Target)	50%	100%	150%	150%

⁽¹⁾ Killam's target FFO per Unit is a non-IFRS measure of operating performance widely used by the Canadian real estate industry based on the definition set forth by REALPAC. FFO per unit is calculated by Killam as net income adjustment for fair value gains/losses, interest expense related to exchangeable Units, gains/losses on disposition, deferred tax expense/recovery, unrealized gains/losses on derivative liability, internal commercial leasing costs, depreciation on an owner-occupied building, interest expense related to lease liabilities, and non-controlling interest. Refer to the section entitled "Non-IFRS Financial Measures" on page 8 of this Circular for more information.

Same Property NOI Growth ⁽²⁾

	Threshold	Target	Maximum	Achievement
Performance Range	0.0%	2.5%	4.5%	5.1%
Payout Factor (% of Target)	50%	100%	150%	150%

⁽²⁾ Same Property NOI is a supplementary financial measure defined as NOI for stabilized properties that Killam has owned for equivalent periods in 2021 and 2022. Same property results represent 85.0% of the fair value of Killam's investment property portfolio as at December 31, 2021. Excluded from same property results in 2021 are acquisitions, dispositions and developments completed in 2020 and 2021, and non-stabilized commercial properties linked to developments. Refer to the section entitled "Non-IFRS Financial Measures" on page 8 of this Circular for more information.

For 2021, the RTUs with performance factors had two equally weighted measures which include 1) average three-year FFO per Unit growth, and 2) total relative unitholder return compared to the S&P/TSX Capped REIT Index over a three-year period. Both measures align with Killam's strategic objectives and are drivers for increasing unitholder value, with the underlying objective of the RTU Plan being to focus executives on the achievement of long-term strategic objectives in addition to meeting short-term business and financial objectives contained in Killam's annual business plan.

SECTION IV. COMPENSATION DISCUSSION AND ANALYSIS

Threshold performance factors for each metric must be met for any RTUs with performance factors to vest with any value. For clarity, if threshold performance factors are not met, the value of the RTU is zero. If the threshold performance factor is achieved, the number of RTUs that vest will be equal to 100% of the RTUs initially granted. If the maximum performance factor is achieved over the performance period, the number of RTUs that vest will be equal to 150% of the initial number of RTUs granted. Any performance results between the threshold performance factors and maximum performance factors will result in the vesting of RTUs determined on a linear sliding scale.

The FFO per Unit performance targets for the RTUs with performance factors granted in 2021 relate to a three-year period and were developed considering the Trust's business strategies, plans and initiatives and its expectations regarding financial and operational performance. These targets are intended to be challenging – neither impossible nor easy to achieve. These FFO per Unit targets are forward-looking, and their disclosure before the end of the performance period would prejudice the Trust's interests.

The performance factors related to total relative annual unitholder return compared to the S&P/TSX Capped REIT Index over a three-year period are as follows for the RTUs granted on February 10, 2021:

Return	Performance Factor
Below 35 th percentile	0
35 th percentile	0.5
50 th percentile	1.0
75 th percentile	1.5

Performance of 2019 RTUs (with Performance Factors)

In 2019, the Trust's NEOs were awarded RTUs with performance factors whose vesting was based on total relative unitholder return compared to the S&P/TSX Capped REIT Index over a three-year period (50%) and average FFO per Unit performance over a three-year period (50%). At the time of the grant, the performance targets relating to the 2019 FFO per Unit metric were forward-looking, as they related to the three-year period ending in 2021 and were developed considering the Trust's confidential business strategies, plans and initiatives and its expectations regarding financial and operating performance. Killam's target FFO per Unit is calculated in accordance with the REALPAC definition. A reconciliation between net income and FFO is included on page 29 of Killam's 2021 Management's Discussion and Analysis.

The performance factors for the 2019 RTU (with performance factors) grant were as follows:

Relative Total Return compared to S&P/TSX Capped REIT Index	Performance Factor	FFO per Unit Growth	Performance Factor
Below 25 th percentile	0	Less than 1%	0
25 th percentile	0.5	1%	0.5
50 th percentile	1.0	4%	1.0
75 th percentile	1.5	7%	1.5

SECTION IV. COMPENSATION DISCUSSION AND ANALYSIS

In February 2022, the Compensation Committee reviewed the performance of the 2019 grant of RTUs (with performance factors) and determined the following results:

Relative Total Return compared to S&P/TSX Capped REIT Index

Killam's total return for the three years ended December 31, 2021, compared to its S&P/TSX Capped REIT Index, was in the 82nd percentile. The performance factor applied for this relative total return compared to the S&P/TSX Capped REIT Index (50% of the grant) was 1.5x, based on Killam's ranking above the 75% percentile over the three-year performance period.

FFO per Unit Growth

Killam's average FFO per unit growth for the three years ended December 31, 2021, was 4.4%. The performance factor applied for this FFO per unit growth was 1.07x, based on Killam exceeding 4.0% FFO per unit growth during the performance period.

	2019	2020	2021
FFO per Unit (\$)	\$0.98	\$1.00	\$1.07
FFO per Unit Growth (%)	4.3%	2.0%	7.0%
Average FFO per Unit Growth		4.4%	
Overall Payout		1.07x	

Payout Summary

In February 2022, the Compensation Committee approved the payout of the 2019 grant of RTUs (with performance factors) based on the results noted above. The number of RTUs (with performance factors) that vested pursuant to the results is set out in the table below:

	2019 RTUs (with performance factors) Granted ⁽¹⁾ (#)	Total number of RTUs (with performance factors) vested prior to application of performance factors (#)	Total number of RTUs (with performance factors) vested with performance factor applied (#)	Actual Settlement Value (\$)
Philip Fraser	14,186	15,812	20,318	\$440,910
Robert Richardson	6,722	7,493	9,628	\$208,929
Dale Noseworthy	4,219	4,703	6,043	\$131,132
Ruth Buckle	3,201	3,568	4,585	\$99,491
Michael McLean	3,143	3,503	4,502	\$97,689

(1) The original grant value of the RTUs (with performance factors) was based on the 5-day volume weighted average price for the period of February 5 to February 11, 2019, which was \$17.18.

(2) The total number of RTUs (with performance factors) vested prior to the application of the two performance factors reflects the original number granted plus the distribution equivalents earned subsequent to the grant date.

(3) The actual settlement value of the RTUs (with performance factors) was based on the closing price of the Trust Units on the TSX on February 14, 2022, which was \$21.70.

The value of total payout for all NEOs in respect of the 2019 grant of RTUs (with performance factors) was approximately \$1.0 million. The total payout for each participant was 181% percent of the original grant value, which factors in Unit price appreciation, notional distribution reinvestment and the performance factors.

TERMINATION AND CHANGE OF CONTROL BENEFITS

Effective December 31, 2002, employment contracts were entered into with Mr. Fraser and Mr. Richardson. New executive employment contracts were entered into with Mr. Fraser and Mr. Richardson effective October 1, 2014, which were approved by the Board on February 17, 2015. Pursuant to the terms of the employment agreements, each executive is entitled to an annual base salary, and eligible to receive an annual incentive bonus under Killam's AIP and annual RTU grants under Killam's LTIP.

In 2008, employment contracts were entered into with other members of the senior management team, including Ms. Noseworthy, Ms. Buckle and Mr. McLean, and were updated in January 2020.

The following table estimates the amount payable to each of the NEOs upon specific termination events, assuming that such event occurred on December 31, 2021. The table does not include benefits that are generally available to salaried employees.

	Philip Fraser	Robert Richardson	Dale Noseworthy	Ruth Buckle	Michael McLean
Termination Without Cause	\$6,700,148	\$3,195,053	\$1,654,383	\$938,403	\$888,771
Termination Following Change in Control	\$11,011,548	\$5,284,868	\$1,858,082	\$1,536,295	\$1,448,710

SECTION IV. COMPENSATION DISCUSSION AND ANALYSIS

Payments to be Made Upon Termination without Cause

In the event of termination of employment by Killam without cause, Mr. Fraser and Mr. Richardson are entitled to receive severance in an aggregate amount equal to two times the aggregate of annual base salary, the executive officer's average RTU award granted during the last three calendar years preceding the termination date, the executive officer's average annual incentive bonus during the last three calendar years preceding the termination date, the deemed benefit award (equivalent to 40% of base salary), and the immediate vesting value of RTUs held by the executive officer.

In the event of termination of employment by Killam without cause, Ms. Noseworthy is entitled to receive severance in an aggregate amount equal to 24 months of total annual compensation, which includes base salary, AIP, RTU grants and any incentive payment which would have been payable over the period of notice.

In the event of termination of employment by Killam without cause, Ms. Buckle and Mr. McLean are entitled to receive severance equal to the greater of 14 months or one month per year of service to a maximum of 24 months of base salary and any incentive payment which would have been payable over the period of notice. Termination without cause will result in outstanding RTUs to vest on a pro-rata basis.

Payments to be Made Upon a Change in Control

In the event of a change in control, Mr. Fraser and Mr. Richardson are entitled to receive four times the aggregate of annual base salary and the additional compensation set forth above. These change of control clauses have been included in Mr. Fraser and Mr. Richardson's employment contracts since 2003, to reflect their contributions as founders of Killam and that property management has been internal since Killam incorporated. Many other real estate investment trusts began with external management platforms, the executives of which received sizeable compensation upon internalization. In addition, the Trust has never provided executives with loans for the purchase of Units of Killam.

In the event of a change in control, Ms. Noseworthy, Ms. Buckle, and Mr. McLean are entitled to 24 months of current base salary, AIP and LTIP compensation. A change in control will also result in the immediate vesting of RTUs held by the NEOs.

The payments were determined by a review of other publicly traded companies' executive termination and change of control benefits and acknowledging the fact that Mr. Fraser and Mr. Richardson are founders of Killam. Mr. Fraser's employment contract includes a standard non-compete clause, the period of which is six months, and all NEOs have a non-soliciting clause as a condition of receiving payment, the period of which is 24 months.

Retention Bonus

As part of the employment contracts that were updated in October 2014 for Mr. Fraser and Mr. Richardson, the Board awarded a retention bonus on the basis of the Board's determination that their continued employment over a long-term horizon was in the best interest of unitholders. In the event of a voluntary resignation by the executive officer from his employment at any time on or after June 30, 2018, Killam shall pay to the executive officer a retention bonus of \$1,000,000, payable over five years in equal annual installments of \$200,000, the first of which installment shall be payable upon the effective date of the executive officer's resignation, and each subsequent installment payable on each anniversary thereafter.

SECTION IV. COMPENSATION DISCUSSION AND ANALYSIS

OVERVIEW OF KILLAM'S COMPENSATION PLANS

Restricted Trust Unit Plan

In 2011, Killam's shareholders approved the adoption of a restricted share unit plan which was subsequently re-approved by the shareholders in May 2015. Effective January 1, 2016, the plan was amended and restated to allow for the issuance of Trust Units in line with the completion of Killam's conversion to a real estate investment trust. The RTU Plan was further amended and restated on February 22, 2017 and March 23, 2018 and was most recently approved by unitholders on May 10, 2018.

The purpose of the RTU Plan is to promote a greater alignment of interests among the Trustees, officers and employees of Killam and the unitholders. The following outlines the key terms of the RTU Plan:

The Trustees believe that effective corporate governance is critical to the continued and long-term success of Killam by helping to maximize unitholder value. The Trustees strongly believe that their commitment to sound governance practices is in the best interest of the Trust and its unitholders and contributes to effective and efficient decision making.

The National Policy 58-201 – Corporate Governance Guidelines ("NP 58-201") of the Canadian Securities Administrators (CSA) as well as National Instrument 58-101 – Disclosure of Corporate Governance Practices ("NI 58-101"), require Canadian reporting issuers to annually disclose their corporate governance practices. Regulatory changes to governance that have occurred, or will occur, are continually monitored by the Board, and the Board has taken, or will take, appropriate action as regulatory changes occur. The Trustees of Killam believe that Killam's governance practices are substantially in compliance with the CSA governance rules.

BOARD OF TRUSTEES' MANDATE

The Board of Trustees believes that clear accountability leads to the best governance and, therefore, maintains a mandate for the Board (the "Mandate"). The Board initially adopted the Mandate in May 2000. The Mandate is reviewed by the Board on an annual basis and was most recently amended in January 2016, upon Killam's conversion from a corporation to a real estate investment trust.

SECTION V. GOVERNANCE PRACTICES

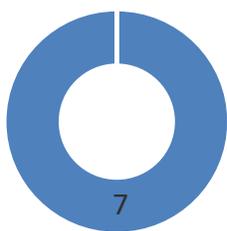

Under the Mandate, the Board is responsible for overseeing the management of the business of the Trust and for providing stewardship and governance for the long-term success of the Trust. The Mandate describes the duties and responsibilities of the Board in matters of independence and integrity, strategic planning, risk management, leadership and succession, financial reporting, corporate communications, public disclosure and corporate governance. We encourage you to review the Mandate for more detail regarding the obligations of the Board in these areas. The Mandate is included in Appendix A in this Circular.

BOARD INDEPENDENCE

Killam's Declaration of Trust requires that a majority of the Trustees be independent. All non-executive nominated Trustees are independent and all three Board committees are made up of independent Trustees. The two non-independent Trustees are the President and CEO and Executive Vice President, both of whom are founding officers of Killam.

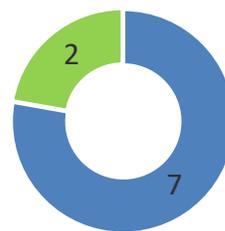

**Non-executive Trustee Nominee

■ Independent ■ Non-independent

**Total Trustee Nominee

■ Independent ■ Non-independent

Independent Chair

Killam has an independent and non-executive Chair of the Board. Killam believes that separating the position of Chair of the Board and the position of President and CEO is key in effectively providing independent Board oversight.

Assessing Trustee Independence

Trustees are independent only if they are not affiliated with Killam and the Board has determined that they have no direct or indirect material relationship with Killam that could interfere with their independent judgement. The Governance and ESG Committee, with the support of Management, assesses Trustee independence using the definition of "independence" from NI 58-101. To determine whether Trustees are independent, the Board uses information about their personal and business relationships with Killam. The Board collects this information from sources such as:

- Trustee responses to an annual detailed questionnaire;
- Trustee biographical information; and
- Internal records and reports on relationships between entities affiliated with Trustees and Killam.

POSITION DESCRIPTIONS

The Board has approved written position descriptions setting out duties and responsibilities for each of the following roles which are reviewed on an annual basis:

Chair of the Board of Trustees

The Chair provides leadership to the Board so that it can fulfill its duties effectively, efficiently and independent of Management. The Chair's role is to see that the Board and unitholder meetings function effectively. The Chair provides advice and counsel to Trustees and the President and CEO. The Chair participates in the recruitment of Trustees and the assessment of their performance and of the Board as a whole.

Committee Chairs

The Board has adopted position descriptions for each Committee Chair which details their duties. Each Committee Chair is required to provide leadership to the Committee members and support the Committee's effective operation in order to fulfill its mandate.

Chief Executive Officer

The roles and responsibilities of the President and CEO are contained in his employment contract. The President and CEO's employment contract is reviewed by the Chair of the Board of Trustees and the Compensation Committee, and it is approved by the Board of Trustees. Among the various responsibilities of the Board, CEO selection is of critical importance. The Board oversees the succession planning program for the CEO.

BOARD SIZE

Killam's Declaration of Trust provides that there shall be a minimum of 5 and a maximum of 12 Trustees on the Board. A total of 9 Trustee nominees are being proposed for election at the 2022 Meeting.

BOARD ROLE IN SUCCESSION PLANNING FOR CEO AND MANAGEMENT

The Board considers that effective succession planning, especially for the President and CEO, is important to the success of the Trust. The Board has a management succession planning process, and the Governance and ESG Committee supports the Board in this area by reviewing, assessing and reporting to the Board on this process for the President and CEO and other executive officers. The CEO is also involved in developing preliminary plans for his succession. Killam's succession process ensures that suitable candidates are identified and receive appropriate development opportunities.

RISK MANAGEMENT AND STRATEGIC PLANNING OVERSIGHT

Killam faces a variety of risks, the majority of which are common to real estate entities. Ensuring these risks are managed effectively is a high priority. Trustees are responsible for overseeing Killam's principal risks and ensuring there are processes in place to effectively mitigate them. The Board relies on senior management to monitor and manage day-to-day risk management, and senior management provides regular updates directly to the Board and relevant Board committees.

Strategic planning oversight is also one of the Board's key roles. Killam's strategic plan is developed by senior management with Board engagement. Most Trustees' areas of expertise include executive leadership, which entails experience driving strategic direction and leading growth of an organization. The Board approves the strategic plan developed by Management on an annual basis. Killam's current strategic objectives to drive value and profitability focus on three priorities: (i) increasing earnings from the existing portfolio; (ii) expanding the portfolio and diversifying geographically through accretive acquisitions, targeting newer properties; and (ii) developing high-quality properties in its core markets.

SECTION V. GOVERNANCE PRACTICES

DIRECTORS/TRUSTEES OF OTHER ISSUERS

Trustees are encouraged to limit the number of other public entity boards on which they serve to no more than three. A Trustee's request to serve on more than three other public entity boards will be reviewed by the Governance and ESG Committee to ensure that the Trustee's attendance, participation and effectiveness at Killam will not be compromised as a result. The following chart lists those Proposed Trustees who serve as directors or Trustees of other public companies or REITs for 2022:

Proposed Trustee	Public Company
Robert G. Kay	RediShred Capital Corp. (TSX-V)
James C. Lawley	RediShred Capital Corp. (TSX-V)

Doug McGregor	Plaza REIT (TSX)
Manfred J. Walt	Firm Capital Property Trust (TSX)

BOARD AND COMMITTEE MEETINGS

The Board and each of its committees hold regularly scheduled meetings throughout the year. The following table sets forth the Trustees and their record of attendance at the meetings of the Board and its committees which occurred in 2021. It is the Board's policy that non-executive Trustees hold regularly scheduled meetings without the attendance of Management of the Trust ("in-camera" meetings). Time is specifically reserved for in-camera meetings at the end of the Board, Audit, Compensation, and Governance and ESG Committee meetings.

NOMINATION OF TRUSTEES

The Governance and ESG Committee is responsible for identifying new candidates for nomination to serve on the Board of Killam. However, the full Board retains the discretion to select nominees and fill vacancies. The Governance and ESG Committee is required, as necessary or appropriate, to establish qualifications for Trustees, and procedures for identifying possible nominees who meet these criteria. In doing so, it considers the desired competencies and skills, the appropriate size of the Board, and the needs of the Board when vacancies arise. The Governance and ESG Committee believes that nominees for the Board should possess established skill sets, in particular with respect to management, leadership, governance, financial acumen and real estate. The skills matrix for the Trustee nominees in 2022 are included on page 21.

The Governance and ESG Committee also has the responsibility of recommending the resignation or removal of Trustees in the event their current or past conduct is or has been improper or reasonably likely to adversely affect the assets of Killam or its reputation. Killam's Declaration of Trust includes certain advance notice provisions which will: (i) facilitate orderly and efficient annual or, where the need arises, special meetings; (ii) ensure that all unitholders receive adequate notice of Trustee nominations and sufficient information with respect to all nominees; and (iii) allow unitholders to register an informed vote.

MAJORITY VOTING POLICY

The Trustees have a policy that allows each unitholder to vote for each nominee on an individual basis. The Trustees also have a majority voting policy with respect to the election of Trustees at any meeting of unitholders where an "uncontested election" of Trustees is held. Pursuant to the majority voting policy, if a Trustee receives more withheld votes than for votes, the Trustee is required to immediately tender an offer of his or her resignation to the Chair of the Board of Trustees following the applicable meeting of the unitholders. Following receipt of an offer of resignation tendered pursuant to this policy, the Governance and ESG Committee shall consider whether or not to accept the offer of resignation and shall recommend to the Board of Trustees whether or not to accept the offer of resignation. In considering whether or not to accept an offer of resignation from a Trustee under the majority voting policy, the Governance and ESG Committee will consider all factors deemed relevant by the Governance and ESG Committee, including, without limitation, the reasons why unitholders withheld votes from the election of such Trustee, and the contributions of such Trustee. Within 90 days following the applicable meeting of the unitholders, the Board of Trustees shall make its decision regarding acceptance of an offer of resignation. The resignation will be effective when accepted by the Board of Trustees. If an offer of resignation is accepted, the Board of Trustees may appoint a new Trustee to fill any vacancy created by the resignation or reduce the size of the Board of Trustees.

Any Trustee who tenders his or her offer of resignation for consideration pursuant to the majority voting policy shall not be permitted to participate in any meeting of the Governance and ESG Committee or any meeting of the Board of Trustees at which his or her offer of resignation is to be considered. Promptly following the decision of the Board of Trustees to accept, or not to accept, an offer of resignation pursuant to the majority voting policy, Killam shall issue a press release with the Board of Trustee's decision. If the Board of Trustees determines not to accept an offer of resignation, the news release shall fully state the reasons for that decision. A copy of the news release will be provided to the TSX.

TRUSTEE TENURE AND BOARD RENEWAL

The Board understands the importance of Board renewal and in 2015 introduced Trustee term limits to ensure ongoing Board refreshment. Trustees who joined the Board prior to February 17, 2015 may serve for an additional ten years (to 2025), and Trustees who join the Board after February 17, 2015 may serve until they have reached ten years. In addition, the Board may recommend any Trustees for re-election for an additional two-year term. The Trust does not currently have a specific retirement age policy.

SECTION V. GOVERNANCE PRACTICES

In furtherance of the Board's renewal practice, Killam has added a new Trustee to the Board in each of the last two years – Mr. Doug McGregor in May 2021 and Ms. Laurie MacKeigan in May 2020. In addition, two of Killam's long-standing Trustees, Mr. Banks and Mr. Lloyd did not stand for re-election in 2021 and 2022, respectively. Through its Trustee renewal process, Killam has expanded the diversification of the Board, and decreased the average term of the non-executive Trustees from 14 years in 2019 to 10 years for the 2022 nominees. Of the Trustee nominees for 2022, a third have less than five years of tenure.

The Governance and ESG Committee, as part of its Trustee assessment process, reviews each Trustee's tenure on the Board annually. Three of the non-executive Trustees for nomination, Mr. Lawley, Mr. Kay and Mr. Walt have served on the Board for over 10 years. These trustees have extensive real estate knowledge and continue to provide in-depth strategic guidance to the Trust. Killam's investment in commercial, residential and MHC real estate, subject to compliance with the Trust's investment policies, requires highly developed and specialized skill sets in real estate, finance, taxation, real estate underwriting and accounting requiring years of experience. Killam considers such experience to be a major asset and has found that having long standing Trustees on its Board of Trustees does not negatively impact its effectiveness, and instead positively contributes to boardroom dynamics. Trustees with the level of understanding of the Trust's business, history and culture acquired through long service on the Board of Trustees provides additional value to the Trust and its Unitholders.

Term limits do not take precedence over Killam's annual Trustee effectiveness evaluation. Re-nomination for election as a Trustees is based on the needs of the Board and Killam given its strategic objectives, and takes into consideration the results of the effectiveness evaluation and peer reviews.

BOARD AND COMMITTEE ASSESSMENTS AND QUESTIONNAIRES

The Board of Trustees evaluates and reviews its own performance and that of its committees and individual Trustees regularly. The Board delegated this function to the Governance and ESG Committee which, under its mandate, is required to conduct an annual assessment of the effectiveness of the Board, committees of the Board and individual Trustees. The Governance and ESG Committee may retain an external consultant to assist in conducting this assessment. The assessment for the 2021 financial year was completed in February 2022, with all Trustees participating in the assessment process. The analysis of the assessments will be presented to the Board in May 2022.

In consultation with senior management of Killam, the Chair of the Governance and ESG Committee developed an annual assessment questionnaire for completion by the Trustees to assist in reviewing performance of the Trustees against their mandate and other criteria. The questionnaire is designed to provide constructive input to improve overall Board performance. The Trustees were asked to consider criteria such as skills and experience, preparation, attendance and availability, communication and interaction with Trustees and Management, knowledge of Killam's business and industry, Board composition, orientation and development and the Board's effectiveness addressing conflicts of interest. Trustees are encouraged to comment broadly, positively or negatively, on any issue concerning the Board, Board committees and Trustee performance.

In addition to the annual Board questionnaire, the Board regularly reviews Killam's financial performance versus its peers. Management presents the Board with Killam's quarterly and year-to-date performance compared to its public multi-family peers. The quarterly report includes key performance indicators, balance sheet metrics and unit price performance. The report also ranks Killam's performance compared to its peers for all key metrics included. This quarterly report is reviewed by both the Audit Committee and the full Board.

ORIENTATION AND CONTINUING EDUCATION

Orientation

The Board and Management of Killam tailor orientation packages for new Board and committee members to their individual needs and areas of expertise, ensuring that they receive detailed information on the role of the Board and its committees, as well as the nature and operation of Killam's business. Existing Trustees have historically provided orientation and education to new Trustees, considering the particular needs of each new Trustee. Board orientation was adjusted to comply with COVID-19 restrictions limiting in-person property tours. Board property tours are expected to resume in 2022.

The table below summarizes the key areas of Killam's Board orientation.

Orientation and onboarding	<ul style="list-style-type: none"> • In-depth orientation guide covering quarterly Board materials, Board and Committee mandates and sample due diligence packages • Strategic discussions with the executives and senior management • Summaries of recent business, operating and financial information • Attendance at committee meetings even if a Trustee is not a member • A detailed review of Board terms of reference, code of conduct, insider trading policies, continuous disclosure policies, diversity and inclusion policy and legal duties and obligations of Trustees • Committee chair orientation sessions to prepare them for their role
Integration	<ul style="list-style-type: none"> • One-on-one meetings with the Chair of the Board and committee chairs to enhance their understanding of the Board's culture and dynamics • Ongoing engagement with executives and senior management to deepen knowledge of Killam's strategic objectives and foster open dialogue

Continuing Education

The Board recognizes ongoing Trustee education as an important component of good governance. Trustees are expected to be informed about current best practices, emerging trends in corporate governance and relevant regulatory developments. The Trust facilitates corporate governance best practices by maintaining a membership with the Institute of Corporate Directors (ICD) for the benefit of all Trustees.

While Trustees take personal responsibility for staying current, the Trust's Governance and ESG Committee Mandate ensures appropriate continuing education opportunities for Trustees to maintain the skill and knowledge necessary to fulfill their duties as Trustees. Killam facilitates this corporate governance best practice by encouraging attendance at industry conferences and educational offerings in relation to REITs and real estate, and by contributing to the cost of Trustee education expenses, including educational offerings and industry conferences.

Throughout their tenure, Trustees receive quarterly presentations from senior management on strategic issues and participate in tours of Killam's properties. Quarterly briefings include reviews of the competitive environment, Killam's performance relative to its peers and any other developments that could materially affect the business. Trustees can also request presentations on a particular topic. In addition, every Trustee has access to Management and relevant business information, and meetings are arranged with the President and CEO, Executive Vice President, and Chief Financial Officer, as well as other executives within Killam.

All Trustees and Management have the responsibility to keep such information confidential until it is officially announced publicly. Killam has also adopted a trading policy that includes regular "Blackout periods". Blackout periods are periods within which Trustees and Management are not permitted to trade securities of Killam. A copy of the Insider Trading policy is available on the Trust's website at www.killamreit.com.

SECTION V. GOVERNANCE PRACTICES

Related Party Transactions and Conflicts of Interest

Trustees are governed by the conflict of interest provisions in both the Code and the Trust's Declaration of Trust when considering material contracts or transactions, or proposed material contracts or transactions in which they have a material interest. In the case of any transaction or agreement in respect of which a Trustee or executive officer has a material interest, the Trustee or officer is required to disclose their interest. Where applicable, they are also required to exclude themselves from any deliberations or votes relating to such a transaction or agreement.

The Governance and ESG Committee reviews all proposed related party transactions and situations involving a potential conflict of interest and makes a recommendation to the Board for final approval. Any member of the Governance and ESG Committee of the Board who is party to or has a potential conflict of interest in a proposed transaction, or who has a material interest in any related party transaction or in a party to a related party transaction, must abstain from any vote on that transaction.

KILLAM'S COMMITMENT TO DIVERSITY AND INCLUSION

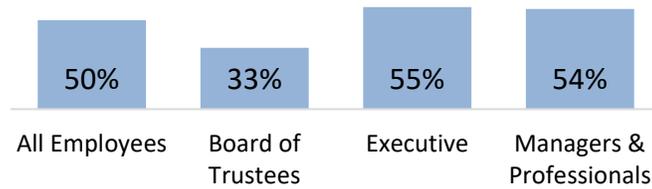

Killam and the Board are committed to diversity and inclusion at all levels by providing a supportive and inclusive workplace for all employees. Killam recognizes the benefits arising from employee diversity, including a strengthened corporate culture, improved employee retention, access to different perspectives and ideas and the benefit of all available talent. Killam's commitment to diversity is evident in its employee policies, handbooks, documents and employee portal. Most importantly, respect and fair treatment are an essential part of Killam's culture. In 2021, Killam committed to increasing the diversity of its employees, including a 25% increase in representation of current employees who identify as racialized, as persons with a disability, and as LGBTQ2S+ by 2025.

The Board believes that Trustee candidates must possess backgrounds, qualifications and attributes that when taken together provide Killam with a broad range of skills and experience. When considering potential Trustee nominees, the Governance and ESG Committee reviews available information regarding each potential candidate, including qualifications, experience, skills, integrity, judgment and communication skills. The committee also considers the benefits of diversity, including gender, age, Indigenous heritage and ethnic, racial or visible minority status and other diversity characteristics. The Board views diversity as a priority in its succession and recruitment and considers the benefits of diversity along with the need to maintain flexibility to effectively attract and retain highly qualified candidates to serve on the Board. Killam has committed to ensuring ethnic, racial, or visible minority diversity on its Board by 2025-26.

The Board considers the level of female Trustee representation when identifying and nominating candidates. In 2015, the Board approved a policy relating to the identification and nomination of female Trustees and committed that gender diversity is a priority. Specifically, Killam set a target of increasing the number of females on the Board to two by the end of 2017 and a minimum of three by 2020. Killam successfully achieved both targets. Three (33%) of the 2022 Trustee nominees are female.

While Killam does not have targets regarding females in executive officer positions, the Board and Management recognizes the importance of diversity, including gender, and consider the representation of such diversity in the selection of executive officer appointments. Killam has a long history of promoting and hiring females in executive officer positions. Currently 55%, or 6 of 11, of Killam's executive officers are female. The graph below illustrates female representation across Killam in various positions.

KILLAM'S COMMITMENT TO ENVIRONMENTAL, SOCIAL AND GOVERNANCE (ESG)

The Board is committed to ensuring ESG is integrated into all aspects of Killam's operations. During 2019, the mandate of Killam's Governance Committee was expanded to encompass reporting on matters of environmental and social responsibility in addition to its current mandate regarding corporate governance. The Committee's name was also updated to reflect this important change to the Governance and ESG Committee. The Governance and ESG Committee and Board are proud that Killam has always taken its responsibility regarding corporate citizenship seriously and that Killam's core values reflect two decades of commitment to environmental, social, and governance issues. In 2021, Killam completed its third GRESB survey, which is a globally recognized third-party analysis and data review of real estate companies' ESG performance, programs and policies. Killam was the first publicly traded Canadian multi-residential REIT to complete the GRESB survey in 2019; since its initial participation, Killam has achieved a 40% score improvement. Killam also earned a GRESB public disclosure survey rating of "A", outperforming its GRESB determined comparison group and their global ratings.

The Board understands Killam's environmental impact and the importance of reducing greenhouse gas (GHG) emissions. Killam is dedicated to improving the efficiency of its current buildings, developing energy-efficient apartments and investing in renewable energy sources. Killam's investments to date have led to significant reductions in water consumption and GHG emissions. Killam seeks operational efficiencies to reduce resource consumption and dependence on fossil fuels. Monitoring and benchmarking GHG emissions is critical to properly assess Killam's carbon footprint and help combat climate change. While Killam has been monitoring its GHG emissions since 2016, it completed its first GHG Inventory, following The Greenhouse Gas Protocol, in 2018. Killam continues to compile its GHG Inventory annually in accordance with The Greenhouse Gas Protocol. Killam engaged GreenCheck to complete an independent verification review of its 2021 GHG inventory, in accordance with ISO 14064 – Part 3.

Killam employees are active members of their community. Killam increased paid annual volunteer days from one to three days, with frequently communicated opportunities to encourage employees to volunteer in their communities. Killam's key community initiatives in 2021 include partnering with non-profit housing agencies and provincial government housing boards to provide approximately 850 subsidized units to previously under-housed individuals, donating nine fully furnished units to hospitals for their exclusive use and providing financial assistance to organizations that offer shelter and support to individuals and families.

Killam is very proud of its employees and teams across the country. In 2021, Killam conducted its bi-annual diversity survey in partnership with the Canadian Centre for Diversity and Inclusion. This third-party partner assisted in benchmarking and analyzing the results. The survey results indicate notable increases in the representation of racialized and indigenous persons, persons with a disability as well as those who identify as LGBTQ2S+. Killam continues to develop and foster a more diversified employee base across the company.

The Board recognizes that a respectful work experience is essential in fostering a strong culture. Employees are encouraged to develop their full potential and use their unique talents, maximizing the efficiency of the Killam team. Killam recognizes the benefits that arise from employee diversity, including a strengthened corporate culture, improved employee retention, access to different perspectives and ideas and the benefit of all available talent.

SECTION V. GOVERNANCE PRACTICES

To strengthen the diversity and inclusion program, Killam continues to partner with the Canadian Centre for Diversity and Inclusion to provide employees with access to expert advice, a virtual library of knowledge, and monthly webinars.

The Board understands that ESG requires an all-encompassing approach, addressing not only Killam's impact on the environment, but also its impact on its communities, residents, employees and unitholders. Performance against strategic ESG targets is part of Killam's annual performance review process for its Management team. Killam is improving its reporting transparency each year and continues to report ESG information in alignment with Sustainability Accounting Standards Boards (SASB) standards and the Task Force for Climate-related Financial Disclosure (TCFD) framework in its 2021 ESG report.

For further information on Killam's ESG policies and targets, please see Killam's 2021 Environmental, Social & Governance Report, published on Killam's website at <https://killamreit.com/esg/>.

CYBERSECURITY

Cyber security is a risk facing all organizations and the protection of Killam's data is the foundation of its cyber security program and ensures that resident and proprietary data remain safe and secure. Killam works to reduce its cyber threat exposure and continues to enhance its cyber capabilities. In the past three years Killam has migrated all data to cloud-based solutions with high-quality partners, invested in advanced cyber risk detection systems and increased its firewalls to include building systems and rolled out two-factor authentication across the organization. Looking forward, Killam is investing in vulnerability assessment and penetration testing in 2022.

Educating employees in cyber security is a key priority that when coupled with robust cyber security systems, provides maximum protection. Killam has deployed software that simulates phishing emails and mandatory training is required if employees fail the random simulations. At Killam, advanced email security servers level artificial intelligence and machine learning algorithms as a front-line defense. Killam continues to develop cyber defense through ongoing investment in cyber related technologies and driving the education and awareness of employees.

ENGAGING WITH UNITHOLDERS AND OTHER STAKEHOLDERS

Continuous and open dialogue with unitholders and other stakeholders is a key priority for Killam. Killam relies on unitholders to provide different perspectives and share their thoughts on topics such as sustainability, governance and environmental impact, and to listen to their opinions and concerns. The Board regularly reviews its engagement with unitholders and stakeholders for alignment with best practices. There are many ways investors can engage with Killam and access important information:

The Committee's oversight role regarding compliance systems shall not include responsibility for the REIT's actual compliance with applicable laws and regulations.

The Committee will review and modify this mandate with regards to, and to reflect changes in, the business environment, industry standards on ESG matters, additional standards which the Committee believes may be applicable to the REIT's business, the location of the REIT's business and its unitholders and the application of laws and policies.
